

DRAFT

CREST - Cleaner Rivers through Effective Stakeholder TMDLs

Technical Committee Meeting

October 25, 2005

12:30 pm - 2:30 pm

City of Los Angeles
Bureau of Sanitation
Media Center

Our mission is to restore and preserve beneficial uses of our rivers and creeks using a collaborative partnership to develop TMDLs and water quality attainment strategies with active and informed involvement by the community and stakeholders and by facilitating effective, innovative, practical, financially feasible, and integrated solutions
