

CREST – Cleaner Rivers through Effective Stakeholder TMDLs

Executive Subcommittee

**September 21, 2004
10:00 am - 12:00 pm**

**433 South Spring Street, 5th Floor Training Room
City of Los Angeles
Regulatory Affairs Division, Bureau of Sanitation**

AGENDA

10:00 am – 10:45 am

Introduction

- CREST Funding – Overview of City of Los Angeles' Contributions
- CREST Activities Needing Funding
- Role of Executive Subcommittee with respect to Steering Committee

10:45 am – 11:15 am

Overview of Cost Apportionment Options

- Potential sources of funds (e.g., CREST participants, sources outside of CREST)
- Point Source versus Non-Point Source Allocations
- In-kind services versus “hard dollar” funding

11:15 am – 11:45 am

Discussion of Applicability and Hurdles

- Success stories in other areas – What was done? How did it work? How did they reach agreement?
- Potential applicability in Los Angeles for CREST
- Potential hurdles

11:45 am – Noon
